

# CONVERSATIONS ROOTED IN LOVE IN POLITICALLY DIVISIVE TIMES

**An Adult Forum/Educational Program**  
**Led by Revs. Beth Taylor and Beth Bingham**  
**Wednesday, September 23**  
**7-8pm via Zoom**

We live in challenging times. Our country seems more divided than ever over issues too numerous to name, and if what we see on social media is any indication, it seems we have lost the ability to discuss important ideas with civility and respect. As followers of Jesus, how can we engage our faith to help root even the most difficult conversations in love, justice and peace? Join Pastors Beth Taylor and Beth Bingham in a discussion about faith in the public square and our call to be reconcilers and healers in a hurting world.
